Write a Letter to the Head

Use this activity sheet to write a letter to your headteacher, convincing them that your school could do more for BBC Children in Need. Your letter could include research detailing how BBC Children in Need helps children in your area and across the UK as well as some fundraising ideas that everyone could get on board with. You could draft a letter as a form/tutor group or write your own!

Dear _____,

I believe that our school could do more to support Children in Need. Here are some ideas and reasons to do so!
